

Turing People Count Data Sheet

Real-Time People Counting Solution

Cost-Effective System to Ensure Safety and Compliance

Turing People Counting System provides an **out-of-box** AI-enabled camera solution that accurately calculates and informs your customers about your current capacity with real-time displays, thus saving you dedicated resources to monitor entrances and exits.

Along with Turing Shield, you can now have a **consolidated** system to comply with COVID guidelines set by:

- Occupational Safety and Health Administration (OSHA)
- U.S. Fire Administration (FEMA)
- Centers for Disease Control and Prevention (CDC)

FEMA COVID-19 Guidelines: Space Capacity Limits

Use our people capacity calculator to understand your space's maximum people capacity.

Advanced 3D Camera and People Counting Platform

Sales@VoDaViTech.com 866.896.1777

Key Features

- COVID-19 Features:** People Counting, Capacity Planning & Social Distancing
- AI-embedded Camera**
- Intuitive Dashboard**
- Real-time Alerts**
- Easy Setup & Installation** Plug-and-Play
- Secure Network** HTTPS authentication

Hardware

- Advanced Stereo Vision Technology** Detect 3D space, up to 98% accuracy
- Power over Ethernet** Secure Network Infrastructure

Platform

- Prominent Dashboard** Display on tablet, TV, mobile, and web browser.
- Intelligent Tracking** Algorithms to accurately track multiple cameras
- Configuration Panel** Monitor cameras Adjust settings like max capacity, alert threshold, reset time, many more...
- Real-Time Notification** Send alerts via SMS or Email to Key Stakeholders
- Consolidated System** Natively integrates with Turing products

Specifications

Model: TVLB-PLC-2CMR-SUBS

People Counter 2-Camera Bundle
2 People Counting Cameras + 1 AI Box with 12-Months Data Management Platform Subscription

Sensor	1/2.7" Progressive Scan CMOS
Lens	2.0mm@F2.25
Max. Resolution	2560x1440
Protocols	TCP/IP,ICMP,HTTP,HTTPS,FTP,DHCP,DNS,DDNS,RTP,RTSP,RTCP,
Features	Audio, Auto Gain Control, Back Light Compensation, Day/Night, Digital Noise Reduction, Flicker-less, Mirror, Motion Detection Tracking, ONVIF, Wide Dynamic Range
Operating Condition	-55°F~80°F, humidity< 95%
Operating Power	DC12V 0.66A Max8W PoE:(802.3af, 36V-57V), 0.23 A to 0.14 A, Max:8.3W
Product Size (mm)	167x61x41mm
Product Weight (g)	435g

**Advanced & Accurate People Counting Software
to ensure Safety and Compliance.**
